**Subject:** DRK PHOTO Copyright Assignment form  
Dear John,

Attached please find a Copyright Assignment Form which is necessary for DRK PHOTO to register our database (which includes your work) of digital image files with the U.S. Copyright Office. It is necessary to have the work/s registered prior to being able to pursue infringers in court.

Our only purpose in asking you to sign the assignment is for us to be able to register the work/s for the purpose of pursuing would be infringers. If you have been registering the copyright of your images all along this is not necessary.

Have you been registering your images with the U.S. Copyright Office?  
Are you hesitant to sign the form?  
Do you have questions?

We have not received your signed form to date.

Please let me know if we can expect the signed form from you, or if I can answer any questions for you. We would like to include your work so it is fully protected by U.S. Copyright Law, and the only way to do this is for us to obtain the Copyright Assignment from you so we can register the images.

I tried calling 607-262-0990 but got a message that it is no longer working.

Thank you,  
Dan

Dear Michael:

Attached you will find a copyright assignment agreement which we need you to complete and return to this office via the postal service. Or, it could be scanned and attached to an email.

In a nutshell.. we've been conducting audits of some of our past image licensing and have discovered that there may be some gross violations of those licenses which would represent copyright infringement/s of the images involved.

- Your images are involved in some of those cases.

Before we can take the would be infringers to court, the images must be registered with the United States Copyright Office. We need you to complete and return the assignment agreement which authorizes us to register your images.

Once the images have been registered, DRK PHOTO will be able to pursue these matters in court and hopefully resolve the infringement claims via reaching a monetary settlement with the infringing parties.

Your immediate attention is appreciated; if you have any questions or concerns please feel free to call, or email me at [info@drkphoto.com](mailto:info@drkphoto.com)

As time is now becoming a factor I look forward to receiving the completed agreement A.S.A.P..

Sincerely,

Daniel R. Krasemann

Dear Michael Collier:

Thank you for participating in the DRK PHOTO Copyright Registration Program. Under the program you assigned copyright in certain images submitted to DRK for the limited purpose of enabling DRK to register copyright. DRK hereby reassigns back to you all legal title and interest in the copyright you originally assigned to DRK for purposes of these registrations. This reassignment applies only to those images that have been both submitted to and registered with the Copyright Office for registration up to the date of this letter. Reassignment of the copyright to images registered with the Copyright Office after this date will be done in the future.

Attached you will find copies of the certificate/s and image/s registered under those certificates.

You may also wish to record this reassignment with the U.S. Copyright Office. Information for recording a transfer of copyright can be obtained online at <http://www.copyright.gov/help/faq/faq-assignment.html>. Recording a transfer is not legally required but provides certain benefits and involves certain fees that are at your expense. Thank you again for your participation.

Sincerely,

A handwritten signature in dark ink, appearing to read "Daniel R. Krasemann".
